Celebrating DYD's 2nd Year

This month, DYD is celebrating our two-year anniversary! I am proud of DYD's growth since the Department launched in July 2022 and look forward to more to come.

DYD is in a season of action and I want to extend my heartfelt gratitude to the young people, community members, and county partners who have helped us build such a strong foundation.

Check out the full [2nd Annual Report](#) to see all the ways we've grown in this past year and learn more about what's next for DYD as we move into Year 3!
